**Annandale High School set to recognize student-athletes during the All-Athletes End of the Year Celebration and Next-Level Celebration on May 30**

ANNANDALE, Va. – Student-athletes and their families are invited to attend the first annual Annandale All-Athletes End of Year Celebration on May 30 at 6:30 pm at Annandale High School.

The Annandale All-Athletes End of Year Celebration is designed to reflect, recognize, and celebrate the accomplishments of the programs and student-athletes from Annandale High School from this year. Any student that participated on an athletic team this year is invited to this event. Business casual attire is encouraged for the event.

At 6 pm, prior to the All-Athletes event, Annandale High School's administration will recognize the student-athletes who have committed to play athletics in college during a special Next Level Ceremony.

The purpose of the Atoms Booster Club is to promote, support, and create active interest in the Annandale High School athletic programs among students, parents, and the community at large. While doing so, the Atoms Boosters work to uphold the highest standard of conduct and demonstrate characteristics that would shed a positive light on the community and students of Annandale High School.
